This is what the Kingdom Seneschal posted.. The newest SCA COVID 19 updates. Caid,
Thank you all for your patience on our announcement about the Proof of Vaccination policy update from the Board of Directors. We know this has been an anticipated update from the Kingdom and we appreciated your patience as we worked to plan the next phase of our re-opening. After consulting with Their Majesties, Their Highnesses, our Greater Officers and hearing the thoughts from the populace, we have come to a decision. The Kingdom of Caid seeks to prioritize the health and safety of all its members. To that effect, we will be requiring proof of vaccination or negative COVID test for events & gatherings, following the new Society policy, starting October 30th, 2021. During this period, it will give our populace and officers time to become familiar with these new requirements and make appropriate adjustments. Following our current policies, we will still require masks to be worn in all public spaces and require registration for events & gatherings. We will continue to collect names and contact information for contact tracing purposes. As with all of our COVID policy updates, all applicable Federal, state, county and local health regulations and guidelines need to be followed. The requirements in the guidelines will remain in place until such time there are no limitations placed on SCA sponsored events and activities as a result of COVID-19. Proof of Fully Vaccinated Status or Negative COVID Test:
In addition to the existing policy allowing Kingdoms to establish a mask policy, Kingdom Seneschals in consultation with the Crown shall have the discretion to implement the following policy requiring proof of COVID vaccination or a negative COVID test taken within 72 hours of an event start time from all event attendees:

Events are any activities defined in Corpora II.A, "Society Events Defined"
Proof of being fully vaccinated must be in the form of a government issued card (original or photograph) or an electronic record.
Proof of negative COVID test must be issued from a licensed medical provider and presented in such paper form or electronic form that the event staff can verify its authenticity. Letterhead from a medical provider or an email address clearly identifying the medical provider as the sender of an electronic record shall constitute authentic proof.
All persons over the age of 18 must present government issued photo identification along with the proof of being fully vaccinated or a negative COVID test. Parents and guardians of minors must present their own identification along with proof of being fully vaccinated or a negative COVID test for all minors attending an event in their care.
Proof of vaccination or a negative COVID test shall not be required for children under 12. Children that are aged 3-11 shall wear a mask.
In addition to the normal sanctions process, anyone challenging event staff regarding the enforcement of this COVID policy shall be denied entry to or be immediately removed from the event.
The new policy is available from Society and can be found here - <https://www.sca.org/.../COVIDSafe-Proof-of-Vaccination-or...>
Society has also released a FAQ (Frequently Asked Questions), which can be found here - <https://www.sca.org/.../20210829-Proof-of-Vaccination-or...>
